

Aiolis

Dips, Spreads & Fillings Platform

Creamy, rich, and packed with flavor – the perfect finishing touch for sandwiches, burgers, and more. Use as a dip, spread, or drizzle to elevate any dish with a gourmet twist.

Features & Benefits

- Aiolis double as a perfect side dip for fries, tenders, or wings, giving operators multiple uses from a single SKU.
- Aioli builds deliver a +\$0.50 - \$1 higher price point than standard sandwich sauces and drive 36% higher consumer purchase intent compared to launches without aioli.¹
- Whether you need something squeezable or spreadable, we make it easy to fit in your unique BOH workflow with flexible packaging options.
- Adding a new premium platform for even more flavor exploration will elevate core builds, power more LTOs, and drive differentiation, buzz, and traffic.
