

Cream Sauce

Speed Scratch Platform

The mother of all Mother Sauces. We're talking BIG, high-impact, in-your-face flavor that won't go unnoticed by chefs or customers.

Features & Benefits

- A highly versatile, dairy-based sauce that can be an ingredient in a variety of finished dishes
- Developed to withstand the operational pressures facing today's foodservice industry
- Delivers the consistency and quality you and your customers expect
- Simplifies BOH operations with chefs reporting a 70% reduction in prep time, saving time and money
- No blending or melting required!
- Clean label - made with real ingredients
- Freeze-thaw stable with extended shelf life, 9-12 months

Consumers consider variety (48%) and speed (23%) as some of the top considerations for choosing a restaurant. - Datassential, 2023
