

Potato Base

Speed Scratch Platform

A full flavor, chef-driven formula designed for use with boiled or steamed potatoes.

Features & Benefits

- Achieve made-from-scratch mashed potato flavor without all the made-from-scratch labor
- Developed to withstand the operational pressures facing today's foodservice industry
- Delivers the perfect mashed potatoes every time, with the consistency and quality you and your customers expect
- Preparation is easy! Simply combine with potatoes and scale up or down to your preferred taste
- Clean label - made with real ingredients
- Freeze-thaw stable with extended shelf life, 9-12 months
- Potato Booster also available for dehydrated potatoes

24% of operators are using more pre-prepped and quick-scratch ingredients to be more efficient.
- Datassential, 2022
