

# Director of Co-Manufacturing

## About the Role

As Director of Co-Manufacturing you will be responsible for building and leading the Supply Chain team and executing customer demand through our network of fifty manufacturing sites. You will work closely with cross functional teams, including Executive leaders, Sales, Customer Service and Research & Development. To be successful, you must be able to multi-task in a dynamic and fast paced environment. Service execution with integrity are key facets of this role.

## Key Responsibilities

- Identify and resolve day to day challenges impacting production and supply to the customer.
- Cross functional communication – Manufacturing Partners, Customer Service, Sales, Commercialization, etc.
- Evaluate plant scheduling responsiveness, tonnage capacity, strengths\weaknesses.
- Effectively interact with the Sales team to assure tactical timelines are communicated and executed.

## Essential Duties

- Provide leadership, direction and support to the Supply Chain team.
- Maintain positive and effective relationships with inter-company departments (QA, Sales, Customer Service) to achieve supply continuity.
- Translate strategic goals (AOP) into measurable goals for the Supply chain team.
- Prioritize tasks with the most impact to the organization.
- Live by the Rubix Core Value Blocks: You must be Bold, a Leader, Open-minded, Creative, Knowledgeable, and Selfless.

## Qualifications

- Location: Jacksonville, Florida office
- Education: Four-year degree or relevant experience
- Experience: Five years required/desired Manufacturing/Planning and Negotiating
- Skills: People management and Microsoft Excel
- Travel: Up to 15% travel may be required

## About Rubix Foods

At Rubix, we believe big problems lead to big opportunities. We're a team of movers, shakers and tastemakers from all walks of the industry ecosystem and together, we tackle some of the toughest challenges in food – from research to rollout – at unparalleled speed. That's why so many of the biggest, most exciting brands in the world come to us for their flavor and ingredient needs... Their problems give us purpose. In fact, we love problems so much, we built a place to chew on them every day. Our new 50,000 sq. ft. first-if-its-kind Innovation Center is a foodie's playground, fostering greater creativity, collaboration and possibilities in the development of food. And we're filling it with the best and brightest minds in the biz. Do you love problems? Good. You might be one of us. #WeLoveProblems
