

Nitro Creamer

Beverages Platform

A nitro-infused creamer that slowly dissipates flavor and sweetness throughout the beverage leaving a fine foam layer on top.

Features & Benefits

- Acts as a hybrid between a coffee creamer and a coffee foam
- Unlimited flavor customization opportunities
- Packaged in easy-to-use aerosol cans for quality, consistency and reduced waste
- Available in 100% dairy, 100% plant-based or hybrid versions
- Private label packaging available
- Estimated 150-day shelf life, refrigerated

43% of coffee drinkers say they've ordered a specialty coffee in the past day.
- National Coffee Association, 2022
